CONDITIONS OF APPROVAL

1. Water diverted from the Big Lost River is delivered through the Darlington ditch. The amount of water diverted from the Big Lost River shall be reduced where necessary to prevent injury to appropriators of water from Big Lost River downstream from the point of rediversion.
2. Water diverted under this right is exchanged by injecting water diverted under this right into the Burnett ditch and diverting an equal amount from the Big Lost River at the point of rediversion described above. Water may be rediverted from the Big Lost River only when there is current demand for the water injected into the Burnett ditch by users of water from the Burnett ditch currently deliverable priorities below the point of injection.
3. A totalizing measuring device of a type approved by IDWR shall be maintained as a part of the diverting works.
4. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
