Re: Applications for Permit Nos. 45-14134 thru 45-14137 inclusive and Transfer No. 73731
(Six S Ranch LLC)

Dear Mr. Gunderson:

Enclosed are copies of the above referenced applications within your District, and Watermaster's Recommendation Forms.

Section 42-222 of the IDAHO CODE requires that the watermaster must be advised of proposed changes in water rights in the water district and must notify the Department of his recommendation on the application.

Please complete the enclosed recommendation forms and return to this office within 21 days of the date of this letter. Regional review of un-protested applications can be completed as soon as the final protest period is past; your prompt response to this request is appreciated so that your recommendation can be considered during regional review.

If after 21 days from the date of this letter the department has not received your written recommendation, the department will presume you do not oppose approval of the application and you have no comments for the department to consider.

If you have any questions about an application, please contact this office or the applicant.

Very truly yours,

Mary A. Baldwin
Administrative Assistant
