RE: Applications for Permit Nos. 45-14134 thru 45-14137 inclusive and Application for Transfer No. 73731 (Six S Ranch LLC)

Dear Mr. Thompson:

The Department of Water Resources acknowledges receipt of the above referenced water right applications on behalf of your client. Please refer to the numbers in all future correspondence regarding these applications.

A legal notice of the applications has been prepared for publication in the **South Idaho Press on 7/3 & 7/10/08**. In addition, a legal notice for applications 45-14136 and 45-14137 will appear statewide in the Idaho Statesman, Lewiston Morning Tribune, Post Register and Times News on the same dates. Submittal of protests to these applications will be allowed for a period ending ten days after the second publication. **(July 21, 2008)**

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
