Subject: Sun Valley Golf Course

Allen,

The Gov's office will be calling you about preparing a Temp Transfer for irr of 46 acres at Sun Valley GC. It is my understanding that they will be turning green to brown on existing acres, to allow for the brown to green on the hill. Please expedite your processing -- recognizing that we are not changing our requirements from those that we would apply to anyone else.

I will be at the IWUA Conf -- you can reach me at 870-0345 if needed.

Thanks, Dave
