CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **June 01, 2009**.
2. Subject to all prior water rights.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.
4. This right does not grant any right-of-way or easement across the land of another.
5. When notified by the Department or by a watermaster with regulatory authority over this right, the right holder shall report the amount of water diverted in connection with this right. The report shall be submitted in the manner and frequency specified by the Department or the watermaster.
6. Use of water under this right shall be non-consumptive.
7. Fish propagation use is for fish protection through the installation of a deflection screen and a bypass pipe to provide passage for fish back to Wimpey Creek.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 24th day of June, 2008.

for: DAVID R. TUTHILL, JR., Director
