Re: transfer evaluation

This transfer proposes to add a pump in the Snake River at the place of use for a house lot. Progressive Irrigation district agreed to allow this addition point of diversion for this junior water right. Owners of the house lot are within Progressives Irr District. Less than 0.20 cfs will be diverted at this new point of diversion.

Authority to File:
Applicant is the owner of record as far as the SRBA recommendations.

Water Right Validity:
This water right was recommended in the SRBA. Air photos from 2006 show it to be irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:
In Water District 01. New point of diversion is down stream. Storage water will have to be diverted at this point of diversion. Will request Watermaster comment. Transfer will be advertised to determine any protests.

Enlargement of Use:
There is no evidence of enlargement of use.

Local Public Interest:
No issues identified.

Beneficial Use / Conservation of Water Resources:
No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
