RE: Change of Ownership for Water Right 37-12039 split into 37-22307 (Wolfe/Smith)
and 37-22308 (Garner/Daniels)

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership and splitting the above referenced water right. The department has modified its records to reflect the changes and has enclosed computer-generated reports for your records.

The water right was divided according to the place of use and the point of diversion that is located on the property you purchased. If you feel this is in error, please contact the department. I also note that the name on the deed states Sheila Joan Daniels but the notice states Sheila Garner. Please notify the department in writing if you would like the name corrected to reflect your true legal name.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
