RE: Change of Ownership for Water Right Nos. 57-2165, 57-1000, 57-10297, 57-2192

Dear Mr. & Mrs. Benson:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

I was not able to complete the ownership change of WR No. 57-2192 as we still need proof of ownership of the 4 acres located in the SWSE of Sec. 14, T2S, R4W, B.M. Please submit a copy of the deed which conveys the property to you or pay an additional \$75 for the splitting of this water right. I have enclosed a copy of the water right report for this water right as well as a copy of the letter we sent to you on August 18, 2006.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
