RE: Change of Ownership for Water Right 33-2044B

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your record.

Water Right No. 33-2044B is for irrigation only. I did find another water right which appears to be on your property. This is Water Right No. 33-10071 which is a domestic use water right. I have enclosed an ownership change form for your convenience should you decide to change the ownership of this water right into your name.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
