RE: Notice of Change in Water Right Ownership Nos. 65-10195

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. I have also included a copy of the Water Right report and a map.

During our review of the documentation you submitted we found that the deed provided does not cover the water right you wanted changed. Water Right 65-10195 is for the NW ¼ NW ¼ of T16N R 03E Sec. 21. Your property is located in the NW ¼ SW ¼ of T16N R03E Sec. 21. According to tax lot information, your property was previously owned by Edwards Testamentary Trust and the Valley County Assessor's office states the Sage Meadow Subdivision was never a part of Ora May but a parcel south that was split into lots.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office at 208-334-2190 if you have any questions concerning this letter.

Sincerely,

Jean Hersley
