RE: Change in Ownership for Water Right No. 65-10195

Dear Interested Parties:

The Department of Water Resources received a Notice of Change in Water Right Ownership on October 12, 2006. After reviewing the documents submitted, it was noted that sufficient proof of ownership was not included. A letter was sent to you on May 23, 2008 regarding this matter.

During our review of the documentation you submitted we found that the deed provided does not cover the water right you wanted changed. Water Right 65-10195 is for the NW ¼ NW ¼ of T16N R 03E Sec. 21. Your property is located in the NW ¼ SW ¼ of T16N R03E Sec. 21. According to tax lot information, your property was previously owned by Edwards Testamentary Trust and the Valley County Assessor's office states the Sage Meadow Subdivision was never a part of Ora May but a parcel south that was split into lots.

We are returning the Notice and its attachments, as we have not received the appropriate information. Copies of your ownership change request will be kept in our files for reference. A refund of \$25 will be mailed to you shortly.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data we will be able to review &/or complete the request for you.

If you have any questions regarding this matter, please call this office at (208) 334-2190.

Sincerely,

Jean Hersley
