Joe Williams EOC United States Navy -
by Hortense Williams - Mother.

I am at present residing in his home -
Joe is on active duty in Japan
due to retire very soon -

At the time your examiner was
here I was irrigating part of the
hay field as well as a garden -
The hay field is much more than
50' by 600' I think.

Probably Joe amended it so that
when he retires he may use
the water. He owns twenty
acres (20) where the well is located
and may very well need to use water
on more than one. Please
advise me what to tell him
about that.

After all Joe has not had opportunity
to irrigate the field nor had he had
a chance to do so before your
examiner was here as at that

time he was based in Maine -

It seems to me a man should be able to plan for his future even tho he has spent his nineteen past years on active duty - That includes Vietnam. He is a Seabee -

I'm writing you because the mail to Iwakuni and back takes time. And because I've been living here and taking care of things for him.
