Dear Cindy:

Per your request by telephone conversation on 4/2/07, enclosed is copy of my CRP contracts (3) and extensions to year 2010, of which the two water permits in question pertain. I've enclosed a copy of "Commencement of Works" solely for the purpose of showing the permit numbers as reference. We own the permits (or application for permit) to 11-7339 ("Solitude") and 11-7343 ("Cold Creek"). As I indicated yesterday, we sold the property on which permit no. 11-7342 water is located, and the owner Mrs. Franson is looking into its status.

My understanding was that our obligation for further improvements, or updates thereof, on the springs which my father, Gayle Dean Hunt, had already made to a certain extent, could be suspended pending the CRP period. As it is, one spring has somewhat run amok over the past 5 years (which, previous to CRP, was being diverted by ditch and siphoning tubes to irrigate the crops); the other spring had a watering trough for the horses and cattle—it has been stolen along with irrigation pipe. However, as I get the crops growing again, I intend to use that water. It is not going to waste.

Please advise as to what I need to do at this time to retain these water permits so that they aren't forfeited. If I can be of further assistance let me know. Thank you for your attention to this matter.

Sincerely,

Stephany Wuthrich
