RE: Amended Application for Transfer for Creekside Meadows, LLC.

Dear Dave:

Enclosed please find an Amended Application for Transfer we are filing on behalf of Creekside Meadows, LLC. We originally filed this application over a year ago, and it had Receipt No. E032735. We were finally able to obtain revised pond drawings, which accurately reflect the volume to be held by the proposed wetland ponds. This application is being filed in order to satisfy mitigation requirements required by the Army Corps of Engineers. If you have any questions relating to this matter, you can contact James Joyner with the Corps' office.

Sincerely,

Robert L. Harris
