Re: Application For Permit to Appropriate the Public Waters of the State of Idaho,
City of Pierce, 84-12245

Dear Mr. Van Stone:

Enclosed please find an electronic version of the City of Pierce's application, along with a digitized boundary map representing their service area, that includes the area served under their court decreed water right 84-2022 and their application submitted on 9/26/2007. Please look it over and if it's to the City's satisfaction have the mayor sign and return it to me as soon as possible.

I have also spoken to Ray Hennekey by phone and he's in agreement with this application, as long as it includes the condition mentioned in the application. Once I receive the new signed application, I can proceed with the advertising. If you have any questions, don't hesitate to give me a call.

Thank you.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
