RE: Application for Permit to Appropriate Waters of the State of Idaho
City of Pierce, Idaho

Dear Keith:

Please find enclosed the following items for the above referenced Application for the City of Pierce:

1. Completed Application Form.
2. Revised location map.

The following information has been added to the Application Form and location map as per your October 10th, 2007 letter:

1. **Item No. 3 – Point of Diversion**

The 40-acre quarter has been added to the spaces provided.

2. **Item No. 9 – Place of Use**

All of the quarter sections within the City's service area have been defined in Item No. 9 as required.

3. **Map**

The 7.5-minute topographic map has been revised to show the boundary of the City's water service area. Please note that the City does provide water to Judge Town. There are no water service connections between the south City Limits and Judge Town. As per Item 2 above, all of the section quarters within the service area, including Judge Town, have been added to Item No. 9 on the Application Form.

4. **Additional Information**

The City's public water system number is PWS 2180027.
The current mayor is Wallace Williams and the phone number for the City Hall is (208) 464-2222.

We are currently in the process of preparing the City's response to Rules 40.05 (c) through 40.05 (g). This information will be sent to you as soon as it has been completed, which will hopefully be within the next week or so.

If you have any questions, or need any additional information, please do not hesitate to call me.

Sincerely,

PROGRESSIVE ENGINEERING GROUP, INC.
