Re: Permit #75-14265 — Meter Reading

Dear Shelley:

Almost seems like "old days" here in our Salmon River County. Not to reminisce too much, but I can remember springs and early summer 10 to 15 years ago, when it rained almost continually from May 20th (or thereabouts) until the first of July! We'll just have to hope, we are returning to the statue quo.

Here's where my meter reading is at:

For the season began using the pump on April 26, reading— 1,561,200

May 1, reading— 1,584,000

June 1, reading — 1,921,800

I'll keep you posted.

Sincerely,

Bill Oldham
