PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 96-9230

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use (proof) form and the appropriate filing fee, submitted for the above referenced permit.

According to your proof statement, you have applied water for stock use and for irrigation of 1.5 acres. I must advise you that this permit is limited to ½ acre of irrigation. Please limit your irrigation to the permitted amount, unless you have another water right or source for the additional acre of irrigation.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm that the water use meets the permitted use(s). An examiner will be contacting you from our Northern regional office in Coeur d'Alene.

If you have questions, please contact either the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800 or me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
