Re: Water Rights #32-7128 & 32-7136

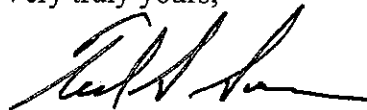

Dear Mr. Keen:

The current listed point of diversion for the above water rights is SE SW Lot 5, Section 34 Township 9 North, Range 31 East. This is in error. The correct point of diversion should be SE SW, Section 34, Township 9 North, Range 30 East.

The current listed place of use is SW NE Section 14 Township 8 North Range 31 East. This is in error. The correct place of use is NE NE Section 14, Township 8 North, Range 31 East.

This matter was brought to my attention by Mr. Dave Carlson of the Idaho Falls Office of the Idaho Department of Water Resources. I would appreciate you correcting this on these two water rights.

Very truly yours,

Ted S. Sorenson, P.E.
