Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

However, the ownership change on water right #61-361C has not been completed. Even though the water right was listed on the ownership change, it is not listed on the deed. The water rights were listed specifically and this right was not included. If this is an oversight, please let me know and I will complete the change in ownership.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
Office Specialist I
