1. The water right(s) referenced above is accepted into the bank and rented in accordance with a private agreement formulated between the lessor and the renter. The right will be rented from the bank for \$500.00.
2. While a right is in the bank, the lessor may not use the right without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to section 42-351, Idaho Code, for illegal diversion and use of water, and may include civil penalties pursuant to Section 42-1701B, Idaho Code.
3. A right accepted into the bank stays in the bank until the Board releases it, the lease term expires, or upon request from the lessor to change the term of the lease.

7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other department application process.
