NOTICE TO RESUME WATER USE

Re: Water Right Nos. 51-2163A

Dear Applicant(s):

On the July 12, 2004, the department approved an Application for Extension of Time to Avoid Forfeiture for Water Right no. 51-2163A. The department granted the request for the irrigation of 266.4 acres. One condition of the approval was that diversion and use of this water must resume on or before April 30, 2008. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is written in a cursive, flowing style.
