RE: Change of Ownership

TODD AND HILLARY MICKELSEN
411 N 400 W
BLACKFOOT ID 83221

Dear Mr. and Mrs. Mickelsen,

The change of ownership on water rights 35-7194 and 35-8024 cannot be processed at this time because the warranty deed submitted with the change of ownership exempts a portion of the place of use from the lands purchased. A transfer will be required to change the place of use associated with these water rights. It appears from 2006 aerial photography and 2007 Landsat imagery that the place of use consists of the two pivots within the lands owned under these deeds. I have prepared a transfer for your convenience. Please review this transfer and if you agree with the elements please sign notarize and return to this office for processing. This transfer constitutes a change in 0.96 cfs of this water right. The fee associated with this transfer is \$250.

If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,

Nate Arave
