CONDITIONS OF APPROVAL

1. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
2. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
3. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
4. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.

WATER RIGHT NO. 63-11031
As Modified by Transfer No. 74203

CONDITIONS OF APPROVAL

5. Domestic use is for 28 homes and does not include lawn, garden, landscape, or other types of irrigation.
6. The period of use for the irrigation described in this approval may be extended to a beginning date of 3/1 provided that beneficial use of the water can be shown and other elements of the right are not exceeded. The use of water before 3/15 is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date of this approval.
7. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.5 afa per acre at the field headgate for irrigation of the lands above.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
