Dear Mr. Von Lindern:

RE: Application for Approval of Water Appropriations for Richard Woods, Jr and Bryan Hasenoehrl

Idaho Fish and Game has reviewed your draft applications and pertinent attachments for a water rights to withdraw groundwater from two wells near Lewiston – one well for Richard Woods, Jr and one for Bryan Hasenoehrl. Woods requests 0.43 cfs for domestic use, irrigation and stockwater: Hasenoehrl requests 0.12 cfs for domestic use, irrigation and commercial (plant nursery).

IDFG believes that, based on the proposed location and amount of withdrawals, the proposed developments are unlikely to have significant impacts on fish, wildlife or habitat. We have no objection to the proposed withdrawals.

Thank you for the opportunity to comment. Please contact Ray Hennekey at this office if you have any further questions.

Sincerely,

Dave Cadwallader
Clearwater Regional Supervisor
