Dear Mr. Davis:

Enclosed is a revised Application for Permit to Appropriate the Public Waters of the State of Idaho in Nez Perce County. This revision more accurately reflects the areas where the water will be used in Hells Gate State Park and the Hells Gate Habitat Management Unit.

We appreciate your assistance in processing our request for change from a surface water intake to a groundwater source. If you have any further questions or need additional information, please do not hesitate to contact me at 509-527-7321 or by e-mail at jana.l.brinlee@usace.army.mil.

Sincerely,

Jana L. Brinlee
