

MEMORANDUM

Date: March 26, 2008
To: Transfer 74618
From: dcarlson
Re: transfer evaluation

This transfer proposes to add the moore canal as a point of diversion. Used the Moore canal in 2007 on a temporary transfer. Using the Moore canal reduces the shrink to the place of use.

Authority to File:

Applicant is the owner of record as far as the SRBA decree. Daniel Wanstrom has power of attorney to sign for the applicant

Water Right Validity:

This water right was decreed in the SRBA in 2002. Air photos from 2006 show it to be irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:

Change occurred in 2007 under a temp transfer. The Moore canal is downstream 2 miles, the next diversion

after the BJ canal..

Will request Watermaster comment.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
