Re: Change of Ownership for Water Right No(s). 65-233, 65-234, 65-235, 65-10302, 65-2779B

Dear Water Right Holder(s):

You recently received a letter regarding the water rights listed above. The letter included a paragraph that stated:

However, the ownership change on water right #61-361C has not been completed. Even though the water right was listed on the ownership change, it is not listed on the deed. The water rights were listed specifically and this right was not included. If this is an oversight please let me know and I will complete the change in ownership.

Please ignore this paragraph as it was inadvertently included in your letter and shouldn't have been. I'm sorry for the confusion.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
Office Specialist I
