PROOF ACKNOWLEDGEMENT LETTER

Re: Permit No. 87-10019

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use ("proof") and the documentation you provided the department for reinstatement of this permit. Because proof was submitted on April 22, 2008, which is more than 60-days after the lapse notice, an order was issued that reinstates the permit and advances the priority date according to Section 42-218a(2), Idaho Code. Enclosed is a copy of that order and the proof you submitted.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. If you decide to file a change in address or in the future you need forms to file a change of ownership, these forms are available from any department office or from our website: www.idwr.idaho.gov

Sincerely,

Deborah J. Gibson
