Re: Change in Ownership of Water Right 57-10243

Attached is a Notice of Change in Water Right Ownership for property we recently purchased. In researching this water right, we discovered prior claimants and owners of the property apparently had not filed these notices upon prior transfers in ownership.

Attached to the Notice of Change are deeds showing transfer of ownership from the

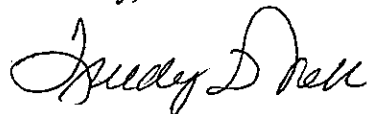

Vances (to whom the original water right was issued) to the Olins
Olins to Beckers
Beckers to Webbs

At the time we purchased the property, a new survey was made and a new legal description written, which is reflected in the deed from Beckers to Webbs.

I am also enclosing appropriate pages from the trust indicating authority of Steve and Trudy to sign as trustees for adding or removing property from the trust.

If you have any questions, please call us. We look forward to a response from you confirming the change of ownership of water right 57-10243 to our name.

Sincerely,

Trudy Webb
