RE: Change of Ownership for Water Right 36-14714

Dear Water Right Holders:

The Department of Water Resources acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The Department is not able to process the ownership change request for WR No. 36-14715 as the place of use is not covered by the deed submitted. I have enclosed the water right report for your convenience. If you also purchased this property, please submit the deed which covers the place of use indicated on the report.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
