**FINDINGS OF FACT**

1. On October 28, 1993, Vicki Cantlon filed application for permit #63-12070 with the Idaho Department of Water Resources (IDWR) seeking to divert ground water for irrigation beneficial use. During 2003, application for permit #63-12070 was split into #63-31683 and #63-31684. Application #63-31684 was retained by Vicki Cantlon.

2. On May 15, 1992, a moratorium order was issued by IDWR holding new applications proposing new consumptive uses of ground water in the Boise River Basin. With the recent completion of the Treasure Valley Ground Water Study, IDWR again commenced limited processing of applications in January 2008.

3. On March 14, 2008, IDWR sent a letter to Vicki Cantlon requesting her intentions regarding the processing of application #63-31684. A thirty (30) day deadline from the letter date was set for response. The letter was not returned to IDWR. Vicki Cantlon has not provided IDWR her current address. IDWR can not contact Ms. Cantlon.

**CONCLUSIONS OF LAW**

1. Idaho Code (IC)§ 42-204 states that if an applicant does not submit requested information to IDWR within thirty (30) days of the date of request, IDWR may void the application. Water Appropriation Rule #35 also requires applicants to provide written notification to IDWR of changes in the applicant's name or address. Vicki Cantlon has failed or refused to provide IDWR with a current contact address.
