Re: Water Supply Bank – Payment for Rented Water Rights

Dear Mr. Marshall:

Please find enclosed with this letter two checks for water rights rented from the Water Supply Bank for use in 2008.

The check in the amount of \$3,520 is for rental of a portion of right 63-148C leased to the Water Bank by South Boise Water Company and rented by United Water according to a 2005 agreement.

The check in the amount of \$701.12 is for the rental of 500.8 AF of right 63-31406, a groundwater right owned by United Water and leased to the Bank this year. I am also returning the signed rental agreement for right 63-31406.

Sincerely,

A handwritten signature in black ink that reads "Roger Dittus".
