Dear Mr. Westra:

RE: Letter of Consent for Transfer #74652 (02-02441) for Robert C. Nettleton

By this letter, I state that I have the authority to act on behalf of the United States Department of Interior, Bureau of Land Management (USDI/BLM), with myself as its agent, to the matters discussed herein. I understand that Robert C. Nettleton wishes to transfer water under right #02-02441, from federal public property to land that Robert C. Nettleton owns as private property. The federal public property legal description is:

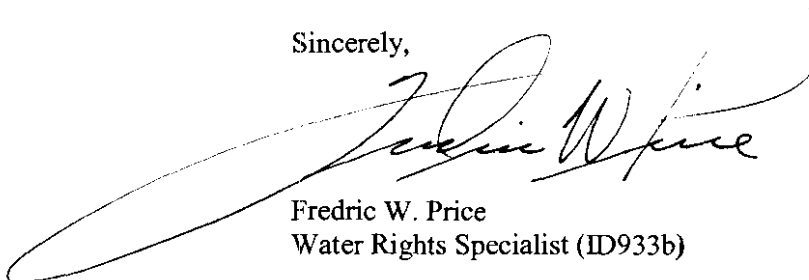

Township 01S Range 02W Section 28 Lot #6 NESW (2.0 acres)

I understand that the Idaho Department of Water Resources cannot complete such a transfer of water under a water right without the notarized consent of the landowner where the water right describes land not owned by the transfer applicant.

On behalf of the United States and the USDI/BLM, my notarized signature below provides the necessary consent to facilitate the transfer, which will result in the discontinuance of water use on federal public land. The United States' non-opposition to the application for transfer does not represent recognition by the United States of the claim elements nor their validity.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,

Fredric W. Price
