On March 29, 2004 Croy Creek Ranch Ltd Ptn (applicant), filed four (4) applications to transfer the public waters of the State of Idaho with the Department of Water Resources. All four applications were subsequently corrected on December 12, 2004 and August 16, 2007 respectively. The Department has received a protest against the approval of said applications from the above captioned protestant.

The Department has set the matter of protest for conference on Wednesday - May 28, 2008 commencing at 1:00 p.m. in the Idaho Department of Water Resources Conference Room, 1341 Fillmore Street, Suite # 200; Twin Falls ID. All attending parties should be prepared to discuss available dates for a formal hearing.

The purpose of the conference is to formulate and simplify the issues, obtain admissions of fact and of documents which will avoid unnecessary proof, arrange for the exchange of proposed exhibits or prepared expert testimony prior to the hearing, limit the number of witnesses, consolidate the examination of witnesses, and advise the parties of the procedure which will be followed at any subsequent hearing.

The conference will be held in accordance with Chapter 2, Title 42, of the Idaho Code and the adopted Rules of Practice and Procedure of the Department of Water Resources.

The conference will be conducted in a facility that meets the accessibility requirements of the Americans with Disabilities Act. If you require special accommodations in order to attend, participate in or understand the conference, please advise the department within (10) days prior to the conference.

Dated this 6th day of May, 2008.
