Re: Transfer Evaluation

This transfer proposes to move acres in each QQ changing the shape file for the POU for water right 35-13554. The owner has installed a wiper pivot (half circle) and needs to modify the POU to reflect that change. The number of acres in each QQ does not change.

Authority to File:

Applicant is the owner of record as far as a SRBA partial decree.

Water Right Validity:

This water right was partially decreed in the SRBA on 10/30/2007. Forfeiture is not an issue.

Injury to Other Water Rights:

In Water District 120. Watermaster will comment.

There should be no hydrologic impact because the same numbers of acres are being irrigated. So this transfer will not be advertised.

There is no evidence of enlargement of use.

The same number of acres will be irrigated.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.
