RE: Change in Ownership for Water Right No. 11-46

Dear Mr. & Mrs. Roberts:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in May 2003. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. The place of use listed on the water right in question is located in the NW¼. The properties listed in your deeds are not located in this area. I have enclosed a computer report of the water right for your reference.

Please provide our office with evidence of ownership for the properties shown on the place of use for water right 11-46 as soon as possible. If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott
Records Analyst
