RE: Changes in Ownership for Water Right No. 11-46
ENCLOSURE: Description of Section 4 and Section 9

Dear Mr. Jeff Peppersack:

This letter contains the signatures required for authorization from the current owners of land and water rights in Section 4 transferring said water rights to Section 9 where water rights are currently and have been used in the past. We hope this satisfies requirements. If there is anything more needed, please let us know.

Thank you for your help in this matter.

Sincerely,

Shane Roberts
