RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application to allow you to complete the necessary items. The required information is described below.

- ✓ The 5 years of non-use question was not provided correctly. (Part 2, A. # 10)
- ✓ The Fee was not provided correctly. (Normally \$100.00, but we can use the \$25.00 from the ownership change you previously submitted, receipted under #C083174, leaving \$75.00 owed for this transfer.)
- ✓ The Notarized Signature was not provided correctly. (Part 3)
- ✓ The Map was not provided correctly. (I have generated a map which shows your intentions, look it over to be sure and return it with the corrected application. You have not indicated you wanted to change the location of the point of diversion {spring} which is located on Casa Del Norte's property, is this correct?) *yes*

Please feel free to contact this office if you have any questions.

Sincerely,

Jeanie Robertson  
Sr. Water Resource Agent
