Re: Application for Permit No. 67-14925

Dear George Rodriguez:

This office received your Application for Permit seeking a water right. Upon review of your application, there are a few areas of the application that need correction. I have amended your application to reflect the corrections as discussed during our phone conversation April 16, 2008. I have enclosed an Application for Permit with the amendments for your signature. Please review the content of this application including the information provided on the map. If there are any areas you wish to change or additional information you wish to provide, please feel free to correct this application before you sign and return it to me for further processing.

Please submit the signed amended application to allow for further processing of your water right permit application. Your response, or a request for more time to make your response, must be received within 30 days from the date of this mailing. The application will be voided without a timely written reply.

IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please contact me at 208-334-2190 if you have any questions. Thank you for your attention to this matter.

Sincerely,

Angela M. Grimm
Water Resource Agent
