Re: Application for Transfer # 73891 – Water Right 63-4983 – Sundance Limited Co, LLC

Dear Mr. King:

The above referenced application for transfer was amended during your office visit March 4, 2008. The applicant or a representative with power of attorney is the only entity authorized to modify or amend a notarized document. I apologize for the delay in processing due to my misunderstanding of Department policy in this matter. I have enclosed a copy of the amended application. Please have the applicant, Sundance Limited Co. LLC, sign and date the first page next to the "Amended" stamp at the top of the page and return the application for further processing. If you have power of attorney to act in behalf of the applicant, please provide written documentation to that effect in lieu of the signed amended application. The amended application, proof of power or attorney, or a request for more time must be received within the next thirty (30) days. The application will be voided without a timely written reply.

IDWR rules, forms and other information are available on the Internet at www.idwr.idaho.gov. Please contact me at (208) 334-2190 if you have any questions or need additional information. Thank you for your attention in this matter. I look forward to your reply.

Sincerely,

Angela M. Grimm
Water Resource Agent
