RE: Assignment of Permit No. 63-12447

Dear Permit Holders:

The department acknowledges receipt of correspondence assigning a one-third interest in the above referenced permit. The amended Assignment of Permit received in our office on April 14, 2008 assigns a one-third interest within the 980 acre permissible place of use. The department has modified its records to add Mayfield Townsite, LLC as an additional owner of this permit and has enclosed a computer-generated report for your records.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
