RE: Water right permit 61-7722

Dear Mr. and Mrs. Durant:

The Department of Water Resources is in receipt of an Assignment of Permit ("assignment") from Keith Chamberlain that assigns the referenced permit to you. The Department cannot accept the assignment until the \$25.00 filing fee is submitted. I am enclosing a copy of the assignment and ask that you submit a copy of the assignment with the filing fee. Upon receipt of the filing fee the permit will reflect your name(s).

Also enclosed is a Proof Due Notice letter originally sent to Mr. Chamberlain. I am forwarding this letter to you and ask that you respond by submitting a statement of proof showing the extent of the development and use of this permit.

I will hold this matter until May 1, 2008 for your response. If I do not hear from you, I will return the original assignment to you and the water right permit will lapse and be of no further force nor effect.

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
