RE: Assignment of Permit for Water Right Permit No. 61-7722

Dear Water Right Holder(s):

The department acknowledges receipt of an Assignment of Permit changing ownership of the above referenced water right to you. The department has modified its records to reflect this change and has enclosed a computer-generated report for your information and records.

According to the conditions of this permit the proof deadline is May 1, 2008. I have not received a proof statement on a form provided by the department as of today. Please be sure to file the proof statement with the department before the deadline to maintain the permit in its active status. I suggest that you file proof on irrigation of five (5) acres as your note states.

Be advised that Section 42-248, Idaho Code, requires you as the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Deborah Gibson
Administrative Assistant
