Re: Application For Permit to Appropriate the Public Waters of the State of Idaho
95-9448

Dear Mr. Whitehead:

As per our recent telephone conversation, I have enclosed an electronic version of your recently submitted application that includes the discussed changes. The irrigation portion of the application is for 0.5 acres, since the overall size of your two lots amounts to 0.57 acres.

Please review the application and if it meets with your approval, please sign and return within the next 30 days, so as not to further delay in the processing. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
