RE: Change of Ownership for Water Right 34-7B, 34-8B, 34-9B, 4003

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Two Notice of Change in Water Right Ownership applications were received. Both listed Pass Creek Ranch LLC as the owner. An application received on 1/24/07 was sent to us by First American Title Company with a \$200 fee (check #8342). A second application received directly from Pass Creek Ranch was received on 5/7/07 with a \$100 fee (check #1008).

Because the application from First American Title Company was received first, we have used that fee for the ownership change. Since the fee is only \$25 per water right, I have requested that the \$100 overpayment be refunded to First American Title. I have also requested that a refund be issued for the \$100 received from Pass Creek Ranch. The checks will be sent under separate cover.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
