Re: Water Right Licenses 78-07031 and 78-07083
Circle C Ranches

Dear Mr. Marshall:

This letter is in response to your correspondence of March 17, 2008, and our subsequent telephone conversation regarding the above-referenced applications to lease water rights. Please find enclosed two edited Applications to Sell or Lease Water Right to the Water Supply Bank. As indicated in your letter and on the date stamps, these applications were originally received by your office on March 3, 2006, but for some reason were never processed.

Pursuant to your suggestion, I have changed the requested lease period to indefinite. Also, per our conversation, it is my understanding that IDWR will re-process these applications with an effective date of March 3, 2006.

Thank you for your assistance. If you have any questions, or if additional information is required, please contact me directly.

Sincerely,

John Hucks
