Re: Change of Ownership for Water Right #36-16458, 36-16460
File No. 44708

Dear Ms. Garrett,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water right and has modified the record to reflect the change in ownership. Enclosed is a computer-generated report for your records.

Water rights 36-16458 and 36-16460 were leased to the Water Supply Bank on January 1 2007. In accordance with the Water Supply Bank Lease Acceptance, the lessor may not use the right while it is in the bank, even if the right is not rented from the bank. This portion will remain in the bank indefinitely unless the rights are released by the Water Resource Board or upon request by the lessor. To change the term of the lease or to release the rights from the bank, the lessor must submit a request in writing to the State Office, attention Aaron Marshall, prior to being released.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Carrie Hahn', is written over a horizontal line.
