Re: DeRuyter Dairy Transfer Application
MTBR&F File No. 23167.0

Dear Dan:

I have received, and have enclosed with this correspondence, the original signature/notary page for the amended DeRuyter Dairy Transfer Application. As you know, pursuant to your February 14, 2008 correspondence, today (March 14, 2008) is the 30-day deadline for submitting these materials to the Department. You will note that I have also enclosed a copy of the amended Transfer Application that is intended for Department processing. I have enclosed a copy of the amended Transfer Application because the Department still possesses the original that it received on January 13, 2006. Consequently, I have not inserted the original signature/notary page into the copy application enclosed with this letter. Instead, you will need to insert the original signature/notary page into the original amended Transfer Application already in your possession. Once you have mated the original signature/notary page with the original amended Transfer Application in your possession, the amended DeRuyter Dairy Transfer Application should be ready for processing by the Department.

Thank you for your attention to this matter. If you have any questions, please contact me directly at 385-5418.

Very truly yours,

Andrew J. Waldera
