Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Currie:

The Idaho Department of Water Resources is returning you recently submitted application for the following additions and/or corrections:

Item # 2 Source of Water Supply

Please complete the rest of this line item. Lake Coeur d' Alene is tributary to the Spokane River.

Item # 3 Location of Point of Diversion

Please complete this line item in its entirety.

Item # 5 Total Quantity of Appropriation

Please complete this line item. The total appropriation should be the same as what you are requesting in line **Item # 4**, 0.04 cfs.

Item #9 Place of Use

Please complete this section in its entirety.

Item # 10 Other Water Rights

Please complete this section.

Item # 11 (b)

Please complete this section.

In addition to the map already submitted, please also submit a USGS 7.5 minute topographic quadrangle map showing the location of the property where the water is to be used and the point of diversion, within the appropriate Township, Range and Section, as per **Item # 13** on the application.

COPY

Please return the corrected application and accompanying map within the next 30 days so as not to delay processing. If you have any questions, feel free to contact me at this office.

Sincerely,

A handwritten signature in cursive script, reading "Keith E. Franklin". The signature is written in black ink and is positioned below the word "Sincerely,".

Keith E. Franklin
Senior Water Resources Agent
